3. A large shelter (sic) is under construction at Lipa (052/A94) which lies 6 km. from Przewoz (Priebus - 052/B14) not far from the Polish-German frontier. About 2,000 workers are employed on excavation work, the soil from which is removed first by truck and then by railway. This shelter is to be connected with the underground powder factory at Praewoz (Priebus), in which Russians are employed.
